<https://www.birdwatchingdaily.com/scroll/snow-geese-at-middle-creek/>

2022

67. *Oceanography*, June 2022. vol. 35, #1.
 “High-Stakes Mudbank Chase – At low tide, US southeast dolphins “beach” their prey.”
<https://doi.org/10.5670/oceanog.2021.404>
66. *Northern Wilds*, August 2022.
 “A Frenzy of Black Bears: It’s Hyperphagia Season at Minnesota’s Vince Shute Wildlife Sanctuary”
65. *BirdWatching*, April 2022.
 “The Last Raptors of Winter”
64. *BirdWatching*, March 2022.
 “Meet the Great Blue Herons of Richmond, Virginia” article and slideshow”
<https://www.birdwatchingdaily.com/news/species-profiles/great-blue-herons-richmond-virginia/>

2021

63. *Oceanography*, December 2021.
"Strand-Feeding Dolphins"
62. *Oceanography*, September 2021.
"For Penguins and Beyond, New Discoveries in Ocean Genomics"
61. *Lake Superior Magazine*, December/January 2020-21.
"Medicine Bears: A Bruin Tale of the Heart"
60. *South Carolina Wildlife*, September/October 2021
"High-Stakes Dolphin Chase"

2020

59. *Ocean Geographic*, July 2020
"The Myth of the Salmon Bears"
58. *BirdWatching*, October 2020.
"Wood Ducks: A Last Glance at Summer"
57. *South Carolina Wildlife*, September/October 2020.
"Forests Behind the Dunes"
56. *International Wolf*, May 2020.
"Into a Wolf's Den"
55. *Oceanography*, March 2020.
"Through the Hourglass: Sand, a Resource that's Slipping Away"
54. *BioScience*, June 2020.
"Into the Den: Investigating Hibernation"
53. *BirdWatching Magazine*, May/June 2020.
"True Blue"
52. *Northern Woods Magazine*, March 2020.
"Living with our wild neighbors"

2019

51. *Eco*, September / October 2019.
"Sentinels of the World's Oceans"
50. *Oceanography*, June 2019
"New Lifeblood for Horseshoe Crabs"
49. *BirdWatching*, May/June 2019

“Dance of the Red Knots”

48. *Eco*, March / April 2019.
“Journey of an Arctic Owl”
47. *Lake Superior Magazine*, February / March 2019.
“Quest for a Great Gray”

2018

46. *International Wolf Magazine*, Fall 2018.
“Wild Canids Among Us. Can We Coexist?”
45. *Oceanography*, December 2018.
“Over A Cliff: Northern Elephant Seals’ California come back challenged by sea level rise, inbreeding”
44. *Oceanography*, September 2018.
“Over the Hump: Beleaguered in Whaling Days, Humpback Whales Chart a New Course in the Gulf of Maine”
43. *Eco*, September 2018.
“The last spirit bears”
